Why not join in our Health & Fit Squad to improve your overall fitness and technique in the pool.

HEALTH & FIT SQUAD - EARLY MORNING

The early morning Health & Fit Squad is designed for swimmers 16 years and above. The aim of the Health and Fit squad is to be able to build on your fitness whilst maintaining good technique and applying it with some fast time cycle training. Swimmers are required to hold 10 x 100 Freestyle on the (1.45) time cycle.

HEALTH & FIT SQUAD - LATE MORNING, WEEKEND & EVENING

This Health & Fit Squad is designed for swimmers 16 years and above. This squad has a slightly more relaxed approach than the early Health & Fit Squad. Swimmers are required to hold 10 x 100 Freestyle on the (2.30) time cycle.

TEEN HEALTH & FIT SQUAD

The Teen Health & Fit Squad is designed for swimmers 13 years and above. These squads cater only for older Target and Senior Target swimmers who may be after a more relaxed, non-competitive approach to their swimming. Swimmers should be able to hold 10 x 100 Freestyle on the (2.30) time cycle.

SURF & TRI SQUAD
